The influence of race on public opinion about crime and punishment is particularly complex, as discussed in Chapter 3. Research on racial attitudes suggests a decline in overt racism—or what Unnever (2013) calls "Jim Crow racism"—founded in beliefs about the innate inferiority of blacks and in adamant support for racial segregation ...

Historically, it was established that minors were too young to be held responsible for criminal behavior and the juvenile law system was set up to handle these offenders, with a focus on rehabilitation, not punishment. However, although still under the legal age of majority, it is becoming more and more common for a minor who commits a serious crime (such as murder), to be charged as an adult ...

But while retributive justice includes a commitment to punishment that is proportional to the crime, it cannot be reduced to a measure of proportionality (Moore 1997: 88; Husak 2019). 3.7 Retrospective criminal justice. It is commonly said that the difference between consequentialist and retributive theories of punishment is that the former is prospective, looking to the good that punishment ...

[Administration of Justice | Sacramento City College](#)

Such punishment gives crime victims, their families, and society a sense of retribution, or justice. A criminal must pay for the acts he or she has committed. That payment comes in the form of a loss of personal freedom. Locking up criminals also serves to protect the public. A burglar, rapist, or murderer can no longer harm society while serving time behind bars. Many experts believe that ...
