[Bob Dylan - Wikipedia, den fric encyklopædi](#)

Blindness, by Jose Saramago Helplessness is a key factor in a lot of horror; most people labor under the delusion that they are in charge of their destiny and their lives, and horror is often effective simply by reminding us how little control we actually have. An epidemic of blindness leaves an entire city's population secluded in a mental institution as society within and without crumbles ...

Saramago's disturbing book centres on the fortunes of a few of those trying to survive this terrible curse, but its real power lies in the way those in positions of power fail time and again to ease the burden of suffering. A prophetic novel that eerily foretold the disaster of Hurricane Katrina, its devastating effects on New Orleans and the US government's risible response. 27. 29 ...
