[Book Review: Techniques for Beginners \(The Urban Sketching ...](#)

Urban sketching is a tree with its middle chopped away to accommodate Seattle's ubiquitous power lines. It's about a couple of women chatting over coffee, or about workers roofing the house next door. It's about an excavator filling a hole where a cherry tree once stood. Or the Tibetan monastery I drive by frequently that I couldn't resist because it's bright orange. Urban sketching ...

At the wildland urban interface, both people and wildlife are at risk -- people risk losing lives and property from wildfire while wildlife lose habitat as development encroaches into areas that were once rural or undeveloped. This risk is expected to increase as land development continues into previously undeveloped landscapes. Forest fragmentation from land development is one of the top ...
